Literacy learning specialist	Jodi Toering

FAREWELL

Cilla Leonard will be returning to the regional office in 2021. Cilla has supported our school with literacy coaching and providing intervention and extension for students. Cilla has provided professional learning for our teachers building our capacity to teach learners. We wish Cilla all the best in her role and thank her for her work.

SCHOOL SPORTS

The students in F-2 loved the school sports today. We certainly miss the involvement and support of our school community. Let's hope next year provides many opportunities for parents to be involved in our school celebrations.

LEAVING EARLY

At present we are noticing many students are leaving early on a regular basis. We are concerned that students are missing vital learning in classrooms. This also has a dramatic impact on the work of the office team who are answering phones and collecting students.

We are more than happy to oblige in an emergency or when students are attending and appointment. We'd appreciate your support in ensuring students are remaining until 3.15.

Parent Email Addresses

An email was sent recently to parents regarding emailing of reports this semester, with a request that they update email addresses if needed. If you have recently changed your email address, please notify us of your new one asap.
